

I am commenting on the "Do Not Call" rule currently before the FCC. Please do not implement a change to Indiana's Telephone Privacy law. I no longer receive those annoying calls at dinner time or late in the evening. I used to receive upwards of 10-20 calls a day from telemarketers, but now that is zero. I cannot stress enough how important it is to me, personally, to keep the Indiana Telephone Privacy Law protections intact. Thank you for your time.
